

POWER OF TEN 10

CLASS OF 2023

Leadership Academy

THE CONCEPT

Power of Ten is a TVMA initiative designed to help recent graduates* develop foundational skills in leadership, communication, and business.

HOW IT WORKS

Ten participants will be selected from the applicant pool to participate in the Power of Ten Leadership Academy. Participants will join a network of peers in a series of learning experiences that commence in February 2023 and culminate in February 2024. Power of Ten is a pathway to help recent graduates answer questions like:

- I emerged from veterinary school and I'm in practice – but how can I get a better grasp on what makes me tick?
- Now that I have a technical staff, how can I form, manage, and lead an effective team?
- Who am I in the bigger picture, and what can I give to my family, my community, and my profession that will be my legacy?"

We anticipate that the Power of Ten class will also create a sense of community and participants will likely build lasting bonds with other members of the leadership academy class.
