

The Animal Care Clinic and Hospital is currently seeking full or part-time veterinarians to join our privately owned Companion Animal Practice in the growing "Rocket City" (Huntsville, Alabama). We are looking for a dedicated individual seeking a long-term career with even future ownership potential possible making it possible to invest in yourself and your abilities.

The clinic is over ten thousand square feet including six exam rooms and a double table surgical suite. The clinic offers a starting salary of \$140,000 with a possible % bonus every three months, combined with less than a 40-hour work week. Driven professionals can easily earn a salary of over \$200,000 yearly. If you have a special interest in certain areas we will try to help you sharpen your skills through mentoring or helping you obtain continuing education to aid in that endeavor. We already do a wide variety of surgical procedures including pinning, plating, orthopedic, ophthalmic, and soft-tissue surgeries. We have an Olympic Endoscope, rhinoscope, ultrasound, dental radiography and routine radiography with automatic settings. No need to measure in radiography, just dial the body portion under study and whether the pet is small, medium or large. We have a tonopen, and complete lab facilities for blood chemistry and hematology. We have a Bact-T lab literally less than a mile away.

Need medical insurance? We offer the highest option Blue Cross and Blue Shield Medical Insurance, including dental. The clinic pays 100% of the premiums for an individual policy or a large contribution to a family plan. Already have medical insurance with a spouse than we can increase other benefits.

The City of Huntsville is the most well-educated area in the Southeast. We are home to Marshall Space Flight Center and the US Army Missile Command at Redstone Arsenal. We also have the FBI Cyber Security group, a drug manufacturing plant, Space Force, the Golden Dome, Blue Origin, Space X, a Toyota Plant and more. Does your significant other need a job, should have opportunities galore.

The clinic is located 2 miles North of the Tennessee River and "Ditto's Landing" with a huge outdoor entertainment venue currently under construction. If lake living is more your style, Guntersville is less than a 30-minute drive away. Looking for a farm or mini-farm? Opportunities 15 minutes south of the clinic are ample. This area has a low-cost of living with Marshall County having one of the lowest property taxes in the country.
